Vote for Urban Releaf to plant more trees this fall!

Please cast your vote for Urban Releaf for Odwalla's Plant a Tree Program! Odwalla has selected Urban Releaf's Greening

Advisory Board

Dr. Richard Bailey
Gay Plair Cobb
Wendell Franklin
Richard Register
Isabel Wade

the West as one of its top 20 tree planting projects for this fall. The Greening the West Project aims to hire and train local youth to plant and care for trees in underserved neighborhoods throughout Oakland. The 10 projects that receive the most votes will each win \$10,000 for their tree planting projects. **Submit your vote today!**

Earth Day Tree Planting

In observance of Earth Day, we planted purple leaf plum trees along Edes Avenue with the help of Trees 4 Life Interns from United Roots, and various community members. Edes Avenue has been a long time reforestation project for us over the years. We are dedicated to the continued greening and maintenance of this area.

Urban Releaf Day

We would like to thank everyone for coming out to celebrate Urban Releaf Day with us on April 14th at Joyce Gordon Gallery. We were honored to commemorate this occasion through music, art, and public recitals. Your contributions allowed us to do what we love, advocate for trees, and for that we are grateful. We hope to have an even bigger and better Urban Releaf Day Event next year!

Call for Interns

Urban Releaf is looking for interns to support our various programs including tree planting and maintenance, environmental education, research, outreach, and administration. If you are interested, please forward your resume to info@urbanreleaf.org.

Thank You to Joyce Gordon Gallery

We would like to thank Joyce Gordon and Curator Eric Murphy for opening up the gallery to Urban Releaf. We appreciate their firm support of our mission and programmatic activities. Check out the videos documenting our collaboration and the many festivities that took place during the SheRose of Our Time Exhibition.

UFEST Program Educates and Greens Oakland Community

This month our Urban Forest Mentors and Stewards were engaged in environmental and professional education workshops as well as tree plantings in East and West Oakland. Our Urban Forestry Education and Stewardship Training Program is continuing to cultivate leadership, skills and talents of local youth as general specialists in urban forestry and arboriculture to care for and maintain their community forests.
